Application Guidelines for “High Level Postgraduate Program” Chinese Government Scholarship Program for 2023-2024 Academic Year at Yangtze University

I. Program Introduction

This program is a full scholarship program funded by the Ministry of Education for some Chinese universities to independently recruit outstanding international students from other countries to study in China. Commissioned by the Ministry of Education, Yangtze University is responsible for recruiting outstanding international students to study in master's degree programs and doctoral degree programs.

II. Qualifications for Application

1. Applicants are non-Chinese citizens and are in good health.

Note: Applicants who were originally Chinese citizens and later joined foreign nationality or applicants whose both or one of their parents are Chinese citizens and settled in foreign countries and who have foreign nationality at the time of their birth should have a valid foreign passport or nationality document for at least 4 years (inclusive) and have a record of actual residence in a foreign country for at least 2 years within the last 4 years (before March 30 of the year of admission).

2. Master's degree applicants must have a bachelor's degree and be no more than 35 years old; doctoral degree applicants must have a master's degree and be no more than 40 years old.

3. This program supports master's degree students and doctoral degree students. Applicants for the program taught in Chinese language must have a certificate of HSK-4 or above; applicants for the program taught in English language must have the certificate of English language proficiency and pass an interview in English.

III. Scholarship Content and Criteria

https://www.campuschina.org/content/details3_74776.html

IV. Admission Programs

Study Type	Programs
Doctoral degree	Earth Exploration and Information Technology, Geophysical Logging, Geological Engineering, Mineral Resource Prospecting and Exploration, Petroleum and Mine Machinery, Oil-gas Storage and Transportation Engineering, Oil-gas Well Engineering, Oil-gas Field Development Engineering, Oil-gas Field and Applied Chemistry, Oil and Gas Exploring Instruments and Equipment, Agricultural Geology, Crop Protection, Crop Genetics and Breeding, Crop Cultivation and Farming, Horticultural Plant Resources and Utilization

Master's degree	Business Administration (MBA), Agricultural Economy and Management, Applied Economics, Accounting, Rural Development, Agricultural Management, Law, Social Work, Subject Teaching（Ideology and Politics）, Education, Education Management, Primary Education, Mental Health Education, Physical Education Teaching, Sports Training, Social Sports Guidance, Physical Education and Training, Chinese Language Literature, Chinese History, Subject Teaching (Chinese), Foreign Linguistics and Applied Linguistics, English Translation, Subject Teaching (English), Mathematics, Subject Teaching (Mathematics), The Course and Teaching Theory , Subject Teaching (Physics), Optical Engineering, Subject Teaching (Chemistry), Environmental Science and Engineering, Chemical Engineering and Technology, Materials and chemicals, Oil and Gas Engineering, Oil and gas well engineering , Geophysics, Geological Resources and Geological Engineering, Resources and Environment, Geology, Surveying and Mapping, Geological Resources and Geological Engineering, Resources and Environment, Geology, Hydraulic Engineering, Geological Resources and Geological Engineering, Resources and Environment, Power Engineering and Engineering Thermophysics, Petroleum Field Machinery, Mechanical Engineering, Information and Communication Engineering, Electronic Information, Computer Science and Technology, Electronic Information, Civil Engineering , Civil and

	Hydraulic Engineering, Crop Science, Plant Protection, Resource Utilization and Plant Protection, Agricultural Resources and Environment , Landscape Architecture, Horticultural Plant Resources and Utilization, Horticulture, Animal Husbandry, Aquatic Products, Veterinarian, Fisheries Development, Biology, Ecology, Food Processing and Safety, Food Science and Engineering, Internal Medicine, Pediatrics, Neurology, Psychiatry and Psych hygiene, Basic Medicine, Clinical Pathology, Dermatology and Venereal Disease, Imaging and Nuclear Medicine, Clinical Laboratory Diagnostics, Surgery, Gynecology and Obstetrics, Ophthalmology, Otolaryngology, Oncology, Anesthesiology, Emergency Medicine, Nursing, Music, Fine Art, Dance, Art Design

V. Language of Instruction

Chinese/English

VI. Application Process

1. Login and register for the "Online Application System for Studying in China" (https://studyinchina.csc.edu.cn/#/login)

2. Select Type B and fill in Yangtze University code: 10489

3. Fill out the application form, upload all application documents to the CSC system and submit the information.

Note: Yangtze University does not accept paper documents.

VII. Application Materials:

1. Application Form for Chinese Government Scholarship (in Chinese or English);

2. Copy of Passport Home Page. If the validity of the applicant's current passport does not meet the requirement (meaning the passport expires before September 2023), please apply for a new passport before submitting the application;

3. Notarized highest diploma. Prospective diploma winners must submit official proof of student status by their current school. Documents in languages other than Chinese or English must be attached with notarized Chinese or English translations;

4. Academic transcripts (from the undergraduate program onwards). Copies of academic records from first to last semester during the undergraduate, graduate (if any), and doctoral programs (if any) shall be provided. These transcripts shall be issued and sealed by the attending university's academic affairs office, graduate school, or student management department. They can be in Chinese or English, but must be attached with notarized English translations if they are in foreign languages other than English;

5. Language qualification certificates. Applicants for Chinese-taught programs must submit valid HSK reports in accordance with the corresponding Chinese proficiency requirements. Applicants for

English-taught programs shall provide relevant language proficiency certificates like IELTS or TOFEL report;

6. A study plan proposal. A study plan written in Chinese or English shall contain more than 1,000 characters or words. Please be noted that the proposal should be mainly focus on the description of academic background, research field and the future study/research plan; a brief introduction of the reason you choose to study in China and Yangtze University, the understanding of China and Yangtze University could also be included in the proposal. The proposal of a doctoral student shall be signed by the applicant's supervisor from Yangtze University;

7. Recommendation letters. Two letters of recommendation (written only in Chinese or English) from professors or associate professors shall be submitted. These letters shall describe the applicant's learning ability, learning attitude and evaluation of future growth;

8. A photocopy of the Foreigner Physical Examination Form completed in English (the original copy shall be kept by the applicant). The form is designed by the Chinese quarantine authority and can be obtained from the dispatching authority. The physical examinations must cover all the items listed in the Foreigner Physical Examination Form. Incomplete records or those without the signature of the attending physician, the official stamp of the hospital, or a sealed photograph of

the applicants are invalid. Please select the appropriate time to take a physical examination as the result is valid for only 6 months;

9. Non-criminal record report. The applicant shall submit a valid certificate of Non-Criminal Record issued by the local public security authority, usually issued within 6 months prior to the submission date of the application;

10. Fresh graduates currently in China should submit the photocopy of the residence permit page and a proof of school performance from the current school;

11. Other additional documents (e.g. award certificates, papers, publications).

Reminder: Uploaded supporting documents must be clear, authentic and valid. Applicants are recommended to use a professional device to scan the relevant documents. Applicants shall bear the consequences caused by unclear or unidentifiable uploaded materials.

VIII. Application Period:

October 24, 2022 - November 25, 2022

IX. Acceptance and Notification

By the end of March, YU will determine the scholarship award list and submit it to China Scholarship Council (CSC); CSC will review university admission results and determine the acceptance list; by the end of July, the accepted candidates will be issued the Letter of

admission and the Visa Application Form for Foreign Students Coming to China (Form JW201).

X. Matters Needing Attention

1. Incomplete and untrue application materials, non-existent application majors or not in the scope of project funding will not be considered.

2. All application documents should be completed in Chinese or English and all uploaded to the CSC application website.

3. A notarized translation in Chinese or English of the diploma/highest degree certificate and transcripts must be provided.

4. Acceptance materials will be sent to the address entered in the "Permanent Address" section of the application form, please keep the information accurate and do not provide a post office address.

5. Applicants must fill in the correct WeChat account or Skype account when applying on the CSC website, and ensure that the account is online for a long time in order to be notified of the interview.
